- Stay on this avenue which borders the coast. Once you no longer have the sea on your left, the avenue will become Calle San Martín. Keep going straight until the end of this street.
- At the end of the street, you will be obliged to turn left and border the river.
- 100m further down, you will be obliged to turn right and cross a bridge.
- After the bridge, continue straight - the street is the Calle Miracruz.
- Approximately 700m later, Calle Miracruz becomes Avenida de Ategorrieta, where Villa Soro is situated.
